Prepared for visiting supporters | August 2026

WELCOME TO GIBRALTAR

Europa Point Stadium is now a principal football venue for Gibraltar's international programme and is also used for major European club fixtures. The stadium sits at Europa Point, at the southern tip of Gibraltar, with the Rock rising behind the venue and the Strait of Gibraltar and North Africa visible beyond.

This guide is intended to help visiting supporters plan travel, arrival, stadium entry, safety, accessibility, luggage, food and drink and time in Gibraltar.

Match-specific arrangements — including the visiting-supporter allocation, entrance, segregation, parking controls, gate opening time and shuttle arrangements — can change from fixture to fixture. Always follow the latest Gibraltar Football Association, competition organiser and stadium instructions issued for your match.

GIBRALTAR & EUROPA POINT STADIUM | VISITING SUPPORTER'S GUIDE 2026

ARRIVING IN GIBRALTAR BY AIR

Gibraltar International Airport (GIB)

The airport is located at the northern entrance to Gibraltar, beside the frontier with Spain. It is a short transfer from the town centre and is served by local bus routes and taxis.

Public Transport

Citibus operates Routes 5 and 10 between the airport/frontier area and various locations in Gibraltar, including the city centre.

Taxis

A taxi rank is located outside the airport terminal. Gibraltar Airport lists a 24-hour radio taxi service on +350 200 70027.

Travel documents

Travel and entry arrangements can change. Since 15 July 2026, new frontier and immigration arrangements have applied under the provisional implementation of the Gibraltar–EU treaty. Visitors should check the latest official Gibraltar Government guidance before travelling.

ARRIVING BY ROAD & SEA

By Road from Spain

Gibraltar is connected to mainland Spain by the land frontier at La Línea de la Concepción. From the Spanish side, follow the N351 towards the frontier and then the signs for Gibraltar.

By Coach

Long-distance visitors can travel to La Línea by coach and cross the frontier on foot. Local bus services then connect the frontier/airport area with Gibraltar's town centre.

By Sea

Gibraltar is also a cruise and port destination. Visitors arriving at the port should allow time to reach the town centre and then continue towards Europa Point. Local buses and taxis are available.

GETTING TO EUROPA POINT STADIUM

By Bus

The Gibraltar Bus Company - Route 2 provides service to Europa Point. Market Place is the main central interchange.

Matchday shuttle

Where a dedicated shuttle is provided, the departure time, return arrangements and any ticket requirement will be published by the Gibraltar FA / Club for the individual fixture.

By Taxi

Taxis can be obtained in the town centre and at the airport. For matchday travel, allow extra time because traffic management or parking restrictions may be introduced around Europa Point.

GETTING THERE BY CAR & COACH

By Car

Follow signs for Europa Point / Europa Road / Harding's Road. The stadium address is Harding's Road, Gibraltar, GX11 1AA.

Do not assume that normal public parking is available immediately beside the stadium on matchday. Restrictions can be introduced by the Royal Gibraltar Police, including around Harding's Way and Nun's Well car park for football fixtures.

By Coach / Minibus

Coach and minibus arrangements should be agreed in advance with the Gibraltar FA or the relevant match organiser. Follow any designated drop-off, parking and holding-area instructions issued for the fixture.

Traffic management

Because Gibraltar has a compact road network, matchday traffic controls can materially affect journey times. Arrive early and avoid relying on last-minute vehicle access to Europa Point.

WALKING ROUTE TO THE STADIUM

FROM CENTRAL GIBRALTAR TO EUROPA POINT

Europa Point is at the southern end of Gibraltar. The route from the central area follows the southern road network towards Europa Road and Europa Point. The journey is longer than the compact town-centre walks and includes exposed sections.

Walking advice

Allow plenty of time, particularly in warm weather. The final approach to Europa Point can be exposed to sun and wind. Supporters should remain on designated pedestrian routes and follow any event-day stewarding arrangements.

For supporters using the matchday shuttle, the shuttle is generally the simplest option where it is provided by the GFA or Club.

PARKING INFORMATION

Matchday parking

Parking capacity at Europa Point is limited and may be controlled or restricted for major fixtures.

Blue Badge / accessible parking

Accessible parking arrangements should be confirmed with the Gibraltar FA or match organiser before travelling. Do not assume that a standard parking area will be available on the day.

Important warning

Do not park contrary to temporary signs, cones, steward instructions or police directions. Matchday restrictions can be introduced at short notice for traffic and crowd-management reasons.

New parking arrangements will be introduced at Europa Point car parks following concerns over parking availability

Parking arrangements may be changed for individual fixtures. Always check the latest official matchday information before travelling.

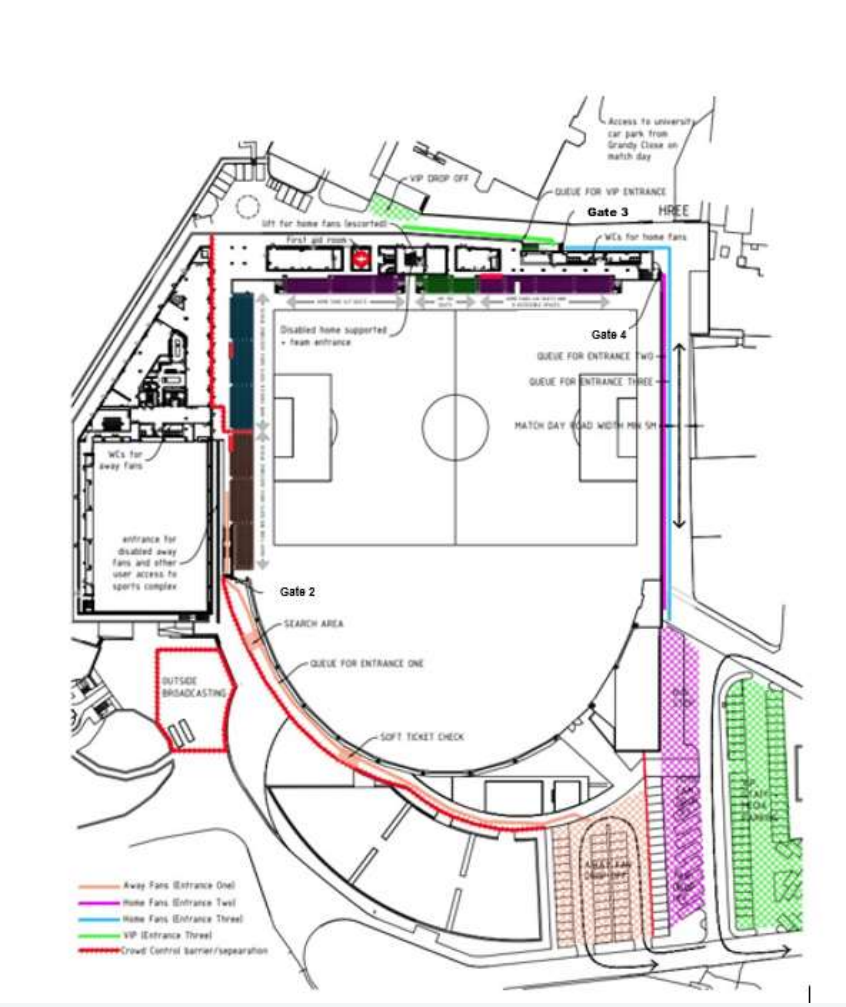
EUROPA POINT STADIUM PLAN

The schematic below is a visitor-planning aid only. It is not a substitute for the official match ticket or the stadium's event-day segregation plan.



VISITORS SECTOR

Visiting supporters

The exact visiting-supporter sector at Europa Point Stadium is fixture-specific. Allocation, segregation and entrance arrangements are determined for each international or club fixture.

Supporters should use the entrance and sector printed on their match ticket and comply with any separate instructions issued by the visiting club, Gibraltar FA, UEFA or local authorities.

Do not rely on a previous fixture's gate or sector. Matchday layouts can be changed to reflect the teams, expected attendance, security assessment and segregation requirements.

ACCESSIBILITY

Europa Point Stadium and surrounding access arrangements can vary by event. Supporters requiring accessible seating, step-free access, accessible parking or assistance should contact the Gibraltar FA or the match organiser before travelling.

Where accessible parking or drop-off is available, it may be subject to event-day restrictions. Arrive early and carry any relevant accessibility documentation if requested by the organiser.
